THIS WEEK'S PRESS RUN—1806

HALIBURTON, ONTARIO Thursday, Sept. 21, 1961

Established in 1882 as the Minden Echo & Haliburton Records

Dysart Rejects Lounge Licenses

Some 51% of the ratepayers of the Municipality of Dysart et al took the opportunity to cast their ballots on the question of whether dining lounge licenses or lounge licences were to be established in Dysart.

Eligible persons entitled to vote numbered 1,738 but only 898 voters could be lured or coaxed to exercise their franchise.

Sorry to say citizens in Haliburton village were the worst offenders in this respect.

The weather was excellent, there was all kinds of transportation available to take citizens to the polls, but they were not interested. Comparisons are oft termed odious but consider the last wet and dry vote in Haliburton held on a raw damp day in January of 1958 when 762 voters made their way to the polls and 571 were all that could be mustered on Saturday.

However, if a lot of people were not interested, it was most apparent from the results that the citizens all over the municipality turned thumbs down on the establishment of dining lounge licenses or lounge licenses. Every poll in the township registered a negative vote.

We have been asked to republish the results of the way the polls went regarding the establishment of a liquor control store in the municipality as compared to the vote on Saturday. Well here they are. This vote was held in January 1958.

Yes: Haliburton 521, West Guilford 53, Harcourt 33, Donald 23, Eagle Lake 43, Total 673.

No: Haliburton 241, West Guilford 113, Harcourt 22, Donald 15, Eagle Lake 35, Total 426.

Leon Jones Wins Golf Tourney

Leon Jones of West Guilford was the winner of the Lakeside golf course annual tournament played on Sunday.

Heading the list of 25 golfers who took part Jones shot a 42 in both rounds to give him a total of 84 as a gross score but with 22 of a handicap his net was 62.

Tied in second place were Bill Nichol of Haliburton and Clarence Bain of Eagle Lake, both with 66.

The consolation prize went to Elwood Simms with a net score of 106 and Murray Fearrey with a low gross score of 77.

It might be noted that the lowest score handed in for the day was Murray Fearrey from Haliburton.

Golfers on hand for the tournament were from West Guilford, Eagle Lake, Haliburton, Carnarvon and Minden.

Ken Sisson, owner of the Lakeside golf course at West Guilford is to be congratulated on holding such a successful tournament.

PERFECT CRIB HAND

While playing cribbage in Minden on Monday evening, Frank Welch held what is called in cribbage, a perfect hand. Mr. Welch was holding three 5's, the Jack of diamonds and then turned up the five of diamonds.

He was playing against Mr. John Oswald, a guest at Mr. Welch's home.

MAGISTRATE'S COURT

Magistrate's court was held in Minden on Thursday, September 14, Magistrate Moore presiding.

Melvin Ross Gregson of Minden pleaded guilty when charged with failing to have the ownership of his car changed to his own name. He pleaded not guilty of driving while intoxicated. On August 23, while returning from Haliburton he called at a store owned by Mrs. Suter, requesting a sandwich.

Mrs. Suter suggested he was in no condition to drive and should get in his car and sleep but the accused drove off and Mrs. Suter reported his license number to police.

A few minutes later the police received a call that the same car was in an accident a short distance from the store.

Mr. Gregson was found guilty of impaired driving and paid fines and costs amounting to $190.20.

Verle Fader of Maple Lake pleaded guilty to following too close behind another car and was fined $25 plus $3 costs.

A car he was driving collided with the back of a car driven by Mrs. Garth Horsley when she was about to make a turn off Highway 35 north of Minden.

Donald McNabb of Minden pleaded guilty to allowing an accumulation of garbage on his property and was fined $10 plus $5.55 costs.

Wayne Windover, 20, of Burnt River pleaded guilty to careless driving. On August 11 on Highway 121 just south of the junction of 35, the accused was attempting to pass an antique Ford car while on a curve and a hill, when he met another car coming. He forced the 1926 Ford into the ditch doing $400 damage to the car.

He was fined $50 plus $3 costs.

Bernard Cain, 18, Robert Scarlett, 19, and Clark Allen 20, of Kinmount, all pleaded guilty to having liquor while under age. The boys testified they bought the beer from Raymond Anderson of Kinmount. They were each fined $25 plus $3 costs.

Raymond Anderson pleaded guilty to keeping liquor for sale and was fined $200 plus $3 costs and his residence was made a public place for one year.

Talent Show Canceled

Bob Harvey has informed the Echo that the talent show scheduled at Medley's pavilion on Saturday, September 23 has been canceled due to lack of response.

New Church In Minden

The official opening and solemn blessing of the new Roman Catholic Church of Our Lady of Fatima at Minden took place Sunday, September 10 at 4 p.m. Most Rev. B. I. Webster, bishop of Peterboro, officiated at the ceremony which is of importance to all the residents of that section of Haliburton county.

The new church, constructed of brick and cement block, will serve the parishioners of Minden and also hundreds of tourists.

Following the service, Father Kay of Kinmount provided a dinner at the Red Umbrella inn, at which were present the bishop and some 30 priests as well as other lay delegates.

The waitresses were Miss Betty Burns of Kinmount and Miss Jean Priest of West Guilford.

In connection with raising funds for this church a raffle was held on a car with the winner being Margaret Love of Toronto and the ticket was sold in Fenelon Falls.

WHAT MINDEN COUNCIL DID

The regular meeting of the Anson, Hindon and Minden council was held in the council chamber on Wednesday, September 13.

A committee was set up to study the municipal by-laws and bring to council a report and a proposal on the first meeting in November. The committee is composed of deputy reeve Chas. Brandon, councillor Reg. Booth and clerk Gordon Bibby.

A grant of $100 was made to the Haliburton County Old Boys student loan fund.

A motion was passed closing Burton's dump site due to the fact the property has been sold and the lease cannot be renewed.

The clerk was asked to make application for permission to spend $4,300 on a winter works program. $1,500 is to be spent on sidewalks, $2,000 brushing municipal roads and $800 for clearing and filling the municipal lot on the Minden bypass.

Council concurred with a suggestion put forth by the Orillia Light and Power Commission that two logs be left in each of the dams north of Gull Lake and including Gull Lake (in the Gull River system).

Reeve L. A. Pritchard and councillor J. O. Jackson were appointed to contact Mr. Fred Wright and Mr. Les. Prentice and discuss the availability of property suitable for a cemetery.

A by-law was passed incorporating all the roads in the Mackayville subdivision in the municipal road system, subject to the approval of the Dept. of Highways.

The clerk was asked to invite the Ontario Water Resources Commission and ask that the commission proceed with the test drilling program as soon as possible.

The municipal office will be closed the week of September 18 to enable the clerk to take holidays.

Accounts were paid amounting to $462.77. Council adjourned until Wednesday, October 11 unless called earlier by reeve L. A. Pritchard.

OWRC Test Head Lake Waters

An official of the Ontario Water Resources Commission was in Haliburton on Tuesday morning last to investigate charges that raw sewage was being dumped into the sewer running down Maple St.

This sewer empties into the Drag River and the contents of same run into Head Lake.

Samples were taken of the river and Head Lake to determine if the practice is still being continued and more samples will be taken and steps taken to track down the source from which this raw sewage is emanating.

The Ontario Water Resources Commission were here in response to complaints that children had contracted impetago while bathing at the Rotary beach.

This, it is believed, is the result of the waters of the lake being contaminated.

BILL EMMERSON

owner of the Emmerson Lumber Co. at Haliburton, who is erecting a new office and showroom on the lot adjoining their present office.

HALIBURTON NEWS LETTER . . .

Miss Pat Dart of Haliburton left on Sunday for Kingston to attend Queen's University.

* * *

We are sorry to learn that Mrs. Doherty will be leaving Haliburton at the end of this month. For the past several months she has been the nurse at the office of Dr. L. H. Carroll. Mrs. Doherty is moving to Brantford.

* * *

Mr. and Mrs. R. M. Dart visited with Mr. and Mrs. Leonard Dart at their cottage on Charleston Lake over the week end.

Friends will be glad to hear that the condition of Mrs. George Earle has greatly improved since this column was published last week. Mrs. Earle is still in the Ross Memorial Hospital, Lindsay.

* * *

Rally day was most suitably observed in the United church last Sunday morning when the congregation which filled the church had the opportunity of joining in a service of worship in which the young people played a prominent part. The responsive reading was conducted by Roger Dart, prayer litany by Margaret Wilkinson, scripture reading by Barry Robertson and the children's story entitled "The Church was There," by Janice Litt. During the service the intermediate choir, under the direction of Bill Gliddon sang. This young choral group is an organization of which the church can be proud. The following young people comprise this choir: Dawn Stewart, Beverly Kirkpatrick, Janice Litt, Lynda Barnum, Julie Woodcock, Margaret Wilkinson, Faye Inglis, Christine Neville, Susan Sedgwick, Barry Robertson, Douglas Brohm and Roger Dart. We would be remiss if we neglected to mention the fine anthem rendition of the senior choir who are giving two hours of their time every week practicing under the direction of Rev. George Petrie which is enabling them to contribute greatly to the musical part of the service.

* * *

In a day when we hear about an acute shortage of ministers it should fill the members of the Anglican church in this community with pride when they see two young men of our village taking part in their services. A week ago Mr. Merrill Bailey, who is studying for the ministry, conducted the service in the churches of the Haliburton parish. Mr. Mervyn Everall who is also engaged in studies preparatory to entering this high calling has been assisting in the services held in the parish from time to time.

Rev. Gordon Smyth of Parkdale United Church, Ottawa, a former minister of Haliburton recently underwent surgery in Ottawa Civic Hospital. We hear he is doing as well as can be expected under the circumstances.

NEWS NOTES OF INTEREST

We were glad to hear from a good friend of ours, Dorothy Clarke, who is taking a rest at Burlington. Miss Clarke, who was postmistress at Haliburton for several years is now retired and although very active in church and other affairs in the community, finds she will have to slow down and curtail some of her activities.

* * *

The enrolment is getting larger at the Haliburton County District High School each year. This term 450 students from all parts of the county are attending school..

* * *

Two personals have just landed on our desk. Mr. Don Dart of Lindsay was a business visitor to Haliburton on Monday and Mrs. Hilda Kellett was a visitor to Ottawa last week.

* * *

While ending our column this week three questions are confronting us. Will Russia drop the big bomb? Will Roger Maris hit over 60 home runs to beat Babe Ruth's record? And will the Lindsay fair, now in progress, break an all time attendance record.

As I See It

by Creighton Feir

The citizens of Dysart et al made it quite clear on Saturday that they are not in favor of dining lounges or lounge licences. Now that the tumult and the shouting has died down let's see the two sides start to pull together for industry somewhere in the municipality. Let's not fool ourselves, what we need is an industry that will supply work for the men, not only for two months in the summer but for the entire year.

* * *

We were glad to welcome back to Haliburton our old friends, Rev. and Mrs. M. J. Cathcart. Rev. Cathcart was working in exchange with the Rev. Taylor, who is at present on holidays. Mr. Cathcart delivered a thought provoking sermon to the congregations of St. George's, Haliburton, St. Andrew's, West Guilford and St. Peter's, Maple Lake. He also addressed the B.A.C. breakfast at the St. George's church on Sunday morning. While here they were the guests of Mr. and Mrs. Bruce Henry at Halimar lodge.

O'Keefe's Kawartha Junction made their appearance at the Haliburton Legion hall on Friday night last. Starting at 9 o'clock the boys put on a good show and dance before a small crowd of 33 people.

Haliburton possibly holds the record for the longest beans in Ontario. Earl McNeil, who lives in the village has two string beans, one 11 inches in length and the other 11½ inches. Anyone who thinks we might be stretching the truth a little may see the beans by a visit to the Echo office.

We might mention here that some of the local Rotarians from Haliburton attended the district conference in North Bay over the week end.

TORY HILL

Walter Riel and family have moved to Lindsay.

Mr. and Mrs. W. J. Hart and Elizabeth of London spent two weeks with Mrs. J. E. Finlay. Bill got a nice lot of brook trout and saw a large moose near where he was fishing.

Another moose was seen around the Dept. of Highways buildings on the north side of the village. One man remarked, "Perhaps he was looking for a job."

Mr. and Mrs. C. P. Rogers of Carnarvon called on friends in Tory Hill on Wednesday.

During the storm last Saturday, Mr. Brooking's house was struck by lightning. It blew out the T-V tubes and light bulbs, put out all the street lights on that side of the village, but did no serious harm.

Mr. and Mrs. R. W. Hall, Mr. and Mrs. Doug Westgate of London, spent the long week end at their cottage.

Mr. Curtis Way of Haliburton was a visitor in Tory Hill.

Mrs. J. E. Finlay spent last week end in Lindsay.

Mr. and Mrs. Hutchison of Lakehurst spent the week end with Mrs. A. McColl.

Congratulations to Miss Patsy Watson of Tory Hill on winning the jackpot at the Monmouth arena.

Mr. and Mrs. Morgan Kemerer visited in Toronto last week.

The Bicroft mines have shut down active operations until next month, when they expect to get another contract. The shut down affects several Tory Hill men. There are several of the senior workers who will have steady employment.

Mr. and Mrs. John Wilson spent their holidays in Southampton.

The weather continues fine and warm. One of the local lodge owners informed us that their lodge was still filled up.

Our school has reopened with Mr. Vandervort of Fenelon Falls in charge.

The children are enjoying the swimming in the nearby lakes. The tourists from the western part of Ontario are high in their praise of the lovely clear water in the lakes of Haliburton county.

A HISTORY OF HALIBURTON

THE STANHOPE STORY

Chapter 13

A quarter of a century after Thomas Mason's accident, the injured leg was broken again below the knee. This time the difficult removal of the tight Wellington boot he was wearing reset the bone properly and the leg healed without medical aid.

In November of 1865 fate dealt Thomas Mason the crushing blow from which he never recovered completely. His wife was preparing one morning to visit relatives across Boshkung when his two year old son George, who was the pride of his father's heart, begged to be allowed to remain at the farm with him. Since he was too busy to watch the child properly, the father refused the baby's pleas and went off to his work.

The lake crossing was to be made in the canoe of young George Sims, the son of a neighbor Samuel Sims who lived between the Mason home and the lake. Accustomed as they were to travel by canoe in all sorts of weather, no one was alarmed at the brisk November winds which were sweeping the lake. However a gust too strong for young Sims to steer against swung the frail craft into the trough of the waves and it overturned.

Unhampered, the boy clung to the canoe but Mrs. Mason clutching her precious burden to her breast was at the mercy of the waves. Neighbors, witnessing the disaster rushed to her aid but when they pulled her from the water insensible, the child was dead in her arms. In the face of such overwhelming tragedy, Thomas Mason when summonsed to the scene to find his son drowned and his wife apparently lifeless, showed the metal of which he was made.

Although breathing seemed to have been suspended, a mirror held to Mrs. Mason's lips showed a beading of moisture. During his wide sea travels the husband had picked up some knowledge of artificial respiration which he now put to good use. Emptying her lungs of water, he worked tirelessly from 10 a.m. until 3 p.m. when the lingering spark of life was fanned into flame and his wife revived after five hours of semi-death.

Since there was as yet no consecrated ground in the whole township, the little one was lovingly laid to rest in a field below the house. To this day that lonely little grave contains a large piece of Thomas Mason's heart.

In Memoriam

Dart—In loving memory of our father, William Reginald Dart, who passed away September 20, 1959; also brother Glen, who passed away July 25, 1951:
Sweet to remember those who once were here.
And who though are absent, are just as dear."
—Always remembered by Bud and Grayce.

* * *

Dart—In loving memory of Reginald Dart who passed away September 20, 1959:
There is a smile we always remember,
A voice we will always recall,
The memory to cherish recall
Of one so dear to us all.
—Lovingly remembered by Jack, Jean and family.

* * *

Dummitt—In loving memory of William S. Dummit who passed away September 17, 1958:
We little knew when we woke that morn
The sorrow the day would bring:
The call was sudden, the shock severe,
To part with one we loved so dear.
He bade no one his last farewell,
He said good-bye to none.
The heavenly gates were opened,
A loving voice said "Come."
We often sit and think of you,
The things you used to say;
We wonder why you had to die
Without a chance to say good-bye.
Though out of sight
You're still missed and loved
You will live with us in memory
Until we meet again at last.
—Always remembered by wife and family.

IN MEMORIAM

In loving memory of a dear dad and grandfather, who passed away September 22, 1960:
He bade no one his last farewell,
He said goodbye to none.
His loving heart had ceased to beat,
Before we knew that he was gone,
There is always a lonely heartache
And often a silent tear,
And always precious memories
Of days when you were here.
It's lonesome here without you Dad,
And sad the weary way,
For life is not the same for us
Since you were called away.
We remember you in silence
And make no outward show
What it meant to lose you
No one will ever know.
—Sadly missed by his daughter Eileen, Wallace and family.
